Kevin:

I am afraid that I had to resubmit the Environmental Assessment for renewal of Whittaker's license. 10 CFR Part 51 does not provide a CATX for renewal of licenses for the purpose of decommissioning, which is the stated use on the license. The EA is with Pennsylvania now, and they expect to complete their review any day now. The renewal will be noticed in the Federal Register, and upon its publication, I can send the license. I expect this to take one to two more weeks. And we get to do this all again with the DP!

Thank you for your patience,  
Marjorie
