Re: Correction of Errata in Notice of Intent dated March 21, 2008 attached

Dear Mr. Miller,

Please be advised that the letter dated March 21, 2008 submitted by Uranium Resources Inc., that prospective owner's Notice of Intent regarding a license amendment for a new uranium mill, contains an error in reference to the name of the current owner of Rio Algom Mining LLC, the licensee under SUA-1473. The correct entity name of the current owner is "Billiton Investments 15 B.V., a corporation existing under the laws of The Netherlands", not 'BHP Billiton's as set forth in the letter. Licensee respectfully requests that the Notice be considered revised accordingly, prior to and for any publication or posting of such Notice by NRC.

Please feel free to contact me should you have any questions or concerns or if I can be of further assistance.

Sincerely,

Terry Fletcher
President
