Marjorie:

Thank you if you forwarded the documentation on the Bank of America. They have assisted us by canceling the trust agreement, perhaps due to your assistance, or because they no longer need the original.

Again, thank you for your help in this matter. It has been such an easy transition working with you on issues for this site.

Best,
Ashley

Marjorie:

I am just checking in with you to see if you have had any luck in locating the original Fleet agreement that we discussed last week. As to Bank of America, I have sent them a copy, and I have not heard that a copy will not suffice, so I think we might be okay with a copy there. However, Fleet did discuss their preference for an original with me. If there is no original, I believe that they will accept a copy with an indication from the NRC that it does not have originals in its file.

Thanks again,
Ashley
