Yes, since the first phase is the review of the document. When ORISE sends you their survey plan, you will need to review it (and the costs already submitted for it), then fill out a SPAF form (I will send you one). Please contact Sarah Roberts directly (865-241-8893) about starting the review. I still need to have the TAPM sign the RFTA and FAX it to Scott Kirk to finalize the RFTA (which should happen this morning).

Tom:

Good Morning,

Marie reviewed the ORISE spending plan for Whittaker, and thought it looked good. Is this email all the documentation you need from me to get things started?

Thank you!
Marjey
