

DOCKET NO. 11005711

899

March 20, 2008

Secretary
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555-0001

Attention: Rulemaking and Adjudication Staff

I STRONGLY oppose allowing Energy Solutions to accept low-level nuclear waste from Italy, which would be dumped at Clive in Tooele County. Why shouldn't Italy keep its own waste? We have already had more than our share of hazardous waste.
