SUBJECT: Company name correction (follow up to 3/25/08 phone call)

This letter is to clarify our recent request for a correction to the company name listed on license SNM-1826. The 2007 request for a name change incorrectly used the name GE Reuter-Stokes. The name Reuter-Stokes, Inc. is the correct legal name of the company that holds this license. Leo VanderSchurr, the current President of Reuter-Stokes, Inc. has verified that this information is correct.

Reuter-Stokes, Inc. is a wholly owned subsidiary of the General Electric Co. There has been no change in ownership of the company. The financial assurance instrument is a parent company guarantee by the General Electric Company and signed by Keith Sherin, the Vice President, Finance of the General Electric Company.

Please contact Kimberly Kuhls Hoffert at [Kimberly.hoffert@ge.com](mailto:Kimberly.hoffert@ge.com) if you have any further questions.

Sincerely,

Fred Glesius  
Radiation Safety Officer  
Reuter-Stokes, Inc.
