Subject: RE: Question - number copies per party

Ms. Lampert,

To respond to your question regarding "Copies for the Board and Parties", please provide one hard copy of the exhibit for each party in the proceeding, i.e. Entergy, NRC Staff, Plymouth, Duxbury(or 4 sets in addition to the copies for the Board), no need to provide a copy for each individual.

Please do not hesitate to ask questions if you need any further clarifications.

Subject: Question - number copies per party

March 28, 2008

Dear Ms. Thibault:

Per Judge Young's instructions regarding copies for Parties, I am submitting my questions by email with copies to the Board and all parties.

Each party consists of more than one person; does each person in each party receive their own separate copy or is it simply one copy per party?

Parties

Entergy: Paul Gaukler & David Lewis (2)
NRC: Susan Uttal; Andrea Sylvia; James Adler; David Roth (4)
Plymouth: Sheila Hollis; Mark Sylvia(2)
Duxbury: Richard MacDonald; Chief Kevin Nord (2)

I apologize for peppering you with questions; however I want to avoid making a mistake.

Thank-you again,

Mary Lampert
