of the lame-brained Thought, Intentions, an Flat-Out Lunacy of even a whisper of inclination to Bring to the United States of America, 20,000 TONS of RadioactiveWaste thats NOT Wanted in Italy?!!??? and WHY the Hell would we want That to happen????? WE DON"T, But we All KNOW who Does.....yep, the rich that will only be getting Richer at the Expense of God knows Who or What?!? like maybe our sense of safety, and it could cause fertility risks (not sayin we need to keep Overpopulating this Already Close to SPENT Earth, that we've treated with SuchHUGE disregard) and of Course there's Always the Threat/Possibilities of Spills, Leaks, and all the other occassions where DEATH could be a result!!! i don't know you people, and you don't know me, but if "you" take part in something that, lets say....Kills Humans!!! don't think that there's not enough organizations that will band together, like Never before, and bring charges against All Yalls' Asses for acomplce to murder!!!! this isn't a threat, i'm far from a violent person, i'm just stating the facts as i see them!! Thank You for your time, Dusty Cordell
