SHAW AREVA MOX SERVICES

Mixed Oxide Fuel Fabrication Facility  
Possession and Use License

Docket No. 70-3098-MLA

ASLBP No. 07-856-02-MLA-BD01

**INTERVENORS' UNOPPOSED MOTION TO ESTABLISH  
TELEPHONE BRIDGE FOR APRIL 9, 2008  
PREHEARING CONFERENCE AND ORAL ARGUMENT**

Nuclear Watch South ("NWS"), Nuclear Information and Resource Service ("NIRS") and Blue Ridge Environmental Defense League ("BREDL") (collectively "Intervenors") hereby request the Atomic Safety and Licensing Board to establish a telephone bridge for the prehearing conference and oral argument that are scheduled for April 9, 2008 in the U.S. Nuclear Regulatory Commission's ("NRC's") hearing room at NRC headquarters in Rockville, Maryland. Intervenors request a telephone bridge because their representatives consider the proceeding to be significant and wish to observe it, but they may be unable to travel the significant distance from North Carolina or Georgia in order to attend in person. Intervenors understand that the NRC has the capability to establish telephone bridges in its hearing room, and indeed has offered that service in the past in this proceeding.

Template Secy-041

Secy-02

Undersigned counsel for Intervenors is authorized to state that neither Shaw AREVA MOX Services, L.L.C. nor the U.S. Nuclear Regulatory Commission (“NRC” or “Commission”) Staff objects to this motion.

Respectfully submitted,

  
Diane Curran
