Subject: IW023 and XW013 do not approve

Gentlemen and Ladies of NRC:

I request that you DENY introduction of radioactive waste to this country from abroad and Italy in particular for reprocessing in Tennessee as set forth in your IW023 and XW 013.

To allow foreign waste to be reprocessed in East Tennessee would be an egregious affront to Tennessee and a dangerous precedent for the nation. The implications of its transportation across the nation is unacceptable.

Thank you for your consideration of my demand in this matter. Faith Young
