Reference: Letter dated February 28, 2008, from T. Tran, USNRC to T. J. Garrett, WCNOG

Subject: Docket No. 50-482: Revision to the Response Due Date for a Request for Additional Information for Wolf Creek Generating Station License Renewal Application Metal Fatigue Analysis

Gentlemen:

The reference requested additional information (RAI) to support Wolf Creek Nuclear Operating Corporation's (WCNOG) application to renew the operating license for Wolf Creek Generating Station (WCGS). The due date for the RAI is April 1, 2008.

WCNOG respectfully requests an extension to the previous agreed upon submittal date. WCGS was unable to obtain all the data necessary to accurately respond to the request in the allotted time. WCNOG will provide the RAI response by May 15, 2008.

If you have any questions concerning this matter, please contact me at (620) 364-4084, or Mr. Richard Flannigan at (620) 364-4117.

Sincerely,

Terry J. Garrett
