Subject: (NOTE: This will be used as the Documents Title in ADAMS)	Request for Information regarding gauges possessed by licensees.	
Summary:	<p>4/1 14:15 I left a message on the voice-mail system for Troxler's radiation safety group to contact me regarding the above licensees.</p> <p>4/2 15:15 I spoke with Mr. Brown and stated that the licensee listed above stated that they had transferred gauges to Jeff Zell Consultants about the year 1998. Neither the licensee nor the recipient could confirm the transfer and did not have any records of serial numbers for the gauges. I requested that Mr. Brown check their records to see if they could determine what gauges were sold to J&L Testing. Mr. Brown informed me that the search would be difficult without the serial numbers but would do the best he could. I informed Mr. Brown that I would provide him with additional information if I should unearth some.</p>
