SUBJECT: DEPARTMENT OF HEALTH & HUMAN SERVICES, REQUEST FOR
ADDITIONAL INFORMATION CONCERNING FINANCIAL ASSURANCE
DOCUMENTS, CONTROL NO. 141774

Dear Mr. Marzilli:

This is in reference to a recent audit NRC conducted on your financial assurance for decommissioning for Nuclear Regulatory Commission License No. 20-08361-01. We have noted some corrections and additional information that is needed on your financial assurance documents for your license as follows:

1. Please indicate each location of use of byproduct material on your Statement of Intent rather than just referring to the facilities authorized under the Department of Health and Human Services.
2. Please revise your Certification of Financial Assurance statement to indicate Thorium 229 and Ni-63 sealed sources as is authorized on your license.

Current NRC regulations and guidance are included on the NRC's website at www.nrc.gov; select **Nuclear Materials; Medical, Academic, and Industrial Uses of Nuclear Material**; then **Regulations, Guidance, and Communications**. You may also obtain these documents by contacting the Government Printing Office (GPO) toll-free at 1-866-512-1800. The GPO is open from 7:00 a.m. to 8:00 p.m. EST, Monday through Friday (except Federal holidays).

We will continue our review upon receipt of this information. Please reply to my attention at the Region I Office and refer to Mail Control No. 141774. If you have any technical questions regarding this deficiency letter, please call me at (610) 337-5303.
