**SCHEDULE EXTENSION FOR THREE MONTH RESPONSE**

Generic Letter (GL) 2008-01 requires a nine-month written response providing the information requested in the GL. A three-month written response is required if a licensee proposes an alternative course of action, including schedule considerations. In a telephone conversation between the NRC (Mr. J. S. Wermiel) and Dominion (Mr. D. A. Sommers) on April 3, 2008, the NRC staff agreed to a thirty-day extension for Dominion to submit the three-month response in order to address evolving positions on the required walkdowns. This letter is to confirm the agreement between the NRC staff and Dominion to delay submission of the three-month response until May 11, 2008.

Please contact Mr. David A. Sommers at (804) 273-2823 if you have any questions or require additional information.

Sincerely,

Chris L. Funderburk
