Dear Jackie and Jim:

I am sending you a request for our NRC license amendment for Dr. Halligan's 35.1000. The hard copy has been sent to you through FedEx mail. I am emailing everything in that mail as attachments here just trying to expedite the process, if possible.

As you see, we brought an AU/preceptor here for the last three Y90 Sir-Spheres cases and had the Form 313A signed. I am sending the request for Dr. Halligan first since I think it might be easier for you to approve it since he holds 35.400. Later I will do the same for Dr. Inampudi: mail and email to you the documentation for his 35.1000 license.

Sorry to bring this another urgent issue to you. Just hope you understand our difficult situation.

Thanks.

Yongli Ning, M.S.
