**Memo: To Radiation Safety Officer**

**From: Chief Executive Officer**

**Subject: Delegation of Authority**

You, Tisha Murphy, have been appointed Radiation Safety Officer and are responsible for ensuring the safe use of radiation protection problems; initiating, recommending, or providing corrective actions; verifying implementation of corrective actions; stopping unsafe activities; and ensuring compliance with regulations. You are hereby delegated the authority necessary to meet those responsibilities, including prohibiting the use of radioactive material by employees who do not meet the necessary requirements and shutting down operations where justified by radiation safety. You are required to notify management if staff do not cooperate and do not address radiation safety issues. In addition, you are free to raise issues with the Nuclear Regulatory Commission at any time.
