Dear Messrs. Sanders and Klukan:

Pursuant to 10 CFR § 2.336 and the agreement between the parties as set forth in the Atomic Safety and Licensing Board's ("ASLB") Order of April 3, 2007 regarding mandatory disclosures ("April 3 Order"), Southern Nuclear Operating Company, Inc. ("Southern Nuclear") is providing the attached seventh supplemental disclosures regarding Contentions EC 1.2 and EC 1.3 admitted by the ASLB's Order of March 12, 2007. Attached is a supporting affidavit of Mr. Charles R. Pierce, Southern Nuclear's Vogtle Deployment Licensing Manager.

**Documents and Data Compilations:**

Attachment A provides a description of additional documents in the possession, custody, or control of Southern Nuclear that are relevant to the admitted contentions. Southern Nuclear is still in the process of reviewing each document identified in Attachment A to confirm whether or not they contain proprietary or privileged information. We will make those final determinations only as you request copies of specific documents. Thus, Attachment A may be over-inclusive in some respects in that it may include documents that are not discoverable based on 10 CFR § 2.336 or the ASLB's April 3 Order.

Sincerely,

K.C. Hairston
