Subject: EnergySolutions Import License Application IW023

Please vote against this application.
The United States should not be in the business of taking in nuclear waste from around the world. We already face major challenges in disposing of our own waste. Further, once we bring this dangerous waste into the country for disposal it becomes our responsibility, which means monitoring it for hundreds of years to ensure the public safety.

Thank you,
Ronald & Joanne Anderson
119 River Downs Blvd
Murfreesboro, TN 37128
