RE: License # 34-30614-01

Patty,

Since our amendment request, dated March 11th and correction letter dated March 14th, was sent to you, our company has stopped service to a client in Muncie, Indiana—Ball Memorial Hospital.

1. Please remove Ball Memorial Hospital from our license as a site of use as well as Dr. William C. Mason from the list of Authorized Users.
2. The Veterans Administration Hospital in Ann Arbor, Michigan has asked us to add three new physicians to our license as Authorized Users. In addition to Dr. Milton D. Gross, please add these three:

Dr. Lorraine Fig MB, ChB, MPH,
Dr. David Woodbury MD, and
Dr. Ben Dwamena MD

These three, along with Dr. Gross, may be found on License #03-23853-01 VA, Permit #21-00159-04.

Thank you for your attention to these matters. If you have any questions or if I may be of assistance, please call me at 330-491-0480 x119.

Sincerely,

James S. Fisher BS, CNMT
Radiation Safety Officer
Shared PET Imaging, LLC
