Re: Amendment to NRC License No. 21-32512-01  
Washington Center Imaging Service, LLC

Dear Sir/Madam:

We would like to amend our current NRC license to reflect the following changes.

**Item #1** Please remove the following individual as an Authorized User and the Radiation Safety Officer:

Anthony Bennett, M.D

**Item #2** Please list the following individual as an Authorized User and the Radiation Safety Officer on our NRC license.

Ashok B. Jain, M.D.

Dr. Jain is currently listed as an Authorized User and a Radiation Safety Officer on the following NRC license #21-11457-02.

If you have any questions or require additional information, please contact our physics consultant, Kevin B. Miller, Medical Physics Consultants at 734-662-3197.

Sincerely,

Re: Radiation Safety Officer/Executive Management  
Letter of Understanding

Dear Dr. Jain:

You have been appointed the Radiation Safety Officer (RSO) of the facility for our United States Nuclear Regulatory Commission Materials License. This **"Letter of Understanding"** is prepared to comply with Title 10 Code of Federal Regulations (CFR) Part 35.24(b). This section of the regulations requires that you agree in writing to the following:

- Assume responsibility for implementing the Radiation Protection Program
- Ensure that radiation safety activities are being performed in accordance with our own approved procedure and all regulatory requirements.

The executive management of this facility agrees to provide you as RSO:

- Specific written notation of your authority, duties, and responsibilities, see attached.
- Sufficient authority, organizational freedom, time, resources, and management prerogative to:
  1. Identify radiation safety problems;
  2. Initiate, recommend, or provide corrective actions;
  3. Stop unsafe operations; and,
  4. Verify implementation of corrective actions.

Our signatures noted below will attest to the issues noted above. Please make a copy of this document for your files and return the original to my attention.

Sincerely,

  
Patrick Burns, Owner

  
Radiation Safety Officer
