Subject: Please Deny EnergySolutions' Import Application (IW023) submission

Please copy and paste some or all of the above message into the text box below : Dear Gov. Huntsman,

I have spent this year doing research on the social and environmental impact of the nuclear industry on the American West and other lands, particularly as it affects indigenous peoples that our state, among others, has consistently shown its indifference towards.

I am writing to register my request that Energy Solutions' proposal to import international radioactive material be denied.

Thank you,
