(NOTE: This will be used as the Documents Title in ADAMS)

Summary: I told Ms. Jimenez that I needed a copy of the decontamination survey, the transfer papers for their sealed sources, and a copy of the latest leak test of the sealed sources. She said that the first 2 items had not actually been completed yet, so I gave her a fax number and she promised to send the above as soon as all of them were available.

Action Required: Call again on 4/29 if I have not received the above items.
