SUBJECT: INSPECTION 03017313/2008001, Q.C. LABORATORIES, INC.

Dear Mr. Stanton:

This refers to a telephone inquiry by Judy Joustra of this office with Stan Sampson of your staff on March 20, 2008. This inquiry concerned activities authorized by the above listed NRC license. From this discussion, we understand that you have not conducted licensed activities in NRC jurisdiction since a previous inspection in October 2006 and you have no near term plans for work at locations under NRC jurisdiction. If our understanding is incorrect, please inform us in writing.

We will continue to periodically contact you to determine the status of your NRC licensed activities. If you do plan to work under your NRC license, please contact Ms. Joustra at 610-337-5355 or me at 610-337-5205. No reply to this letter is required; however, we will be pleased to discuss any questions with you.

Sincerely,
Original signed by Marie Miller
