Subject: Incorporating new department into NRC License # 45-00317-02 prior to moving to new facility scheduled to open August 1st, 2008.

Dear Penny Lanzisera:

It has been a week since we spoke regarding the process of moving from our old site to the new hospital 2 miles down the road.

To refresh, we need to;

1. Add new department to license
2. Move to new location
3. Exit survey of old department
3. Delete old department from license

I would like to add the future department space to our current license and have included the floor plan with this request. The labeled rooms on upper page are designated for the Nuclear Medicine Department, and include;

1. Waiting Room
2. Patient Registration
3. Patient Dose Room
4. Exam Room 1
5. Hot Lab
6. Exam Room 2
7. Cardiac Stress Lab
8. Patient Restroom
9. Patient Dressing Area
10. Physician Reading Area
