Re: *Lehigh University Standby Trust Agreement 3/31/08; License Number 37-07912-02*

Dear Mr. Kaba:

I have received the original Standby Trust Agreement and accompanying documents, dated 3/31/08, and the executed Certification of Financial Assurance form, which you have submitted on behalf of Lehigh University (Pennsylvania Department of Environmental Protection Radiation Materials Licensee Number 37-07912-02). I have reviewed the financial assurance documents submitted, and the Standby Trust Agreement and Certification of Financial Assurance for Lehigh University are approved at this time. By copy of this letter, I am notifying the Nuclear Regulatory Commission (NRC) that the financial assurance instruments Lehigh University currently has on file with the NRC should be cancelled and returned to Lehigh University as soon as possible. Once Lehigh University has received the cancelled standby trust agreement from the NRC, please submit the transaction statement to me as described in your letter dated April 9, 2008.

Thank you for your prompt attention to this matter.

Very truly yours,

Richard S. Morrison  
Assistant Counsel
