Subject: ND's fingerprinting letter and license condition for review
Attachments: FBI Fingerprinting amendment letter.doc

Rob,

Please find attached for your review the information North Dakota will be sending to licensees who will be impacted by the FBI fingerprinting requirement. The first two pages contain the letter that will be mailed to the licensees. The third page is the license condition that will be added to the affected licensees. The remaining pages include the Order and its attachments for their review.

I'll await your comments prior to sending this information to our licensees.
