

**Welcome to the NRC's Open House
Associated with the Environmental Review for
North Anna Power Station, Unit 3
Combined Licenses Application**

This open house is intended to provide an opportunity for interested members of the public and staff from other Federal, State, and local agencies to interact with the NRC staff in an informal information exchange.

The NRC is gathering information necessary to prepare a Supplemental Environmental Impact Statement (SEIS) in support of the combined license application for North Anna Power Station, Unit 3. Please note that if you wish to provide formal comments regarding the scope of the environmental review for North Anna Power Station, Unit 3, they must be presented at tonight's session of the transcribed public meeting or provided in writing or electronically by May 16, 2008. Comments received after this date will be considered while developing the draft SEIS if it is practical to do so, but the NRC staff is able to assure consideration only for comments received on or before May 16, 2008. Written comments on the scope of the EIS should be sent to:

Chief, Rules and Directives Branch
Division of Administrative Services
Office of Administration
Mailstop T-6D 59
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555-0001

Comments may be hand-delivered to the NRC at 11545 Rockville Pike, Rockville, Maryland, between 7:45 a.m. and 4:15 p.m. on Federal workdays. Submittal of electronic comments may be sent by e-mail to the NRC at NorthAnna.COLEIS@nrc.gov

Thank you for your participation.
