Subject: Nuclear Waste Disposal Question Interview

Hello Chairman Dale E. Klein,

I am a student at the River Falls High School of River Falls, Wisconsin. I was wondering if I could ask you a couple of questions about Nuclear Waste Disposal. If you have the time, here are some of the questions that I have for you.

1. What is your opinion on nuclear energy?
2. What are some pros and cons of nuclear energy?
3. What is the best plan for storing its waste?
4. Where will the waste be stored if we turn nuclear?

My school e-mail is niseeh@rfsd.k12.wi.us, or my other e-mail is nicksta7.0@hotmail.com

Sincerely,

Nicholas Seehafer
