1. Please clarify the 2nd line of the materials license cover letter and license after the licensee's name "University of Alaska Fairbanks. Currently on the materials license cover letter "School of Fisheries and Ocean Sciences" is specified; whereas, on the license "Office of Arctic Research" is specified.

Please clarify this discrepancy.

2. Please submit an inventory and/or specify a possession limit of byproduct material authorized on your license for Items 8.B. through 8.L. (License No. 50-02430-07).

Please note that we are requesting this inventory so that we may specify/limit the possession limits on your license as necessary.
