Team Washington:

Attached, in two parts, is the Washington IMPEP questionnaire response. Please give it a thorough read. Use it to prepare lists of files you wish to view when we land in Olympia.

John Buckley, FSME, has joined the team to replace Bob Evans for the Uranium Recovery program. Welcome John.

I would like to have a team conference call on Wednesday, April 30 at 2:00 pm CT (3:00 pm ET). I will get a bridge line. I hope you all can make it.
