Dear Dr. Fraiberg:

It has come to our attention that Amendment No. 61, to your NRC Material License No. 21-02802-03, issued on March 10, 2008, inadvertently deleted from License Items 6., 7. and 8., (but not License item 9. or License Condition 12. B.) authorization to possess and use byproduct material permitted by 10 CFR 35.400. Enclosed is a corrected copy of License Amendment No. 61. We apologize for any inconvenience this oversight may have caused you.

Sincerely,

A handwritten signature in cursive script, appearing to read "Loren J. Hueter".
