*License No.:* 19-21091-01  
*Docket No:* 03019755  
*Control No:* 141771

Dear Mr. Moore:

Thank you for your letter dated April 11, 2008. We concur that a Decommissioning Funding Plan is not required for your license. However based upon our audit, the Certification of Financial Assurance did not list the licensed radionuclides as shown in our guidance. Please submit a new Certification of Financial Assurance. Please follow closely the model on page A-23 of NUREG-1757, Volume 3.

The link to NUREG-1757, Volume 3 is supplied here <http://www.nrc.gov/reading-rm/doc-collections/nuregs/staff/sr1757/v3/sr1757v3.pdf> for your convenience. Page A-23 is page number 137 of 312 in Acrobat. In listing of radionuclides ensure your limiting condition is included.

Please note that you may not reply to this letter by return e-mail. Your reply must be in writing by letter or facsimile (610-337-5269). We will continue our review upon receipt of this information. Please reply to my attention at the Region I Office and refer to Mail Control No. 141771. If you have any technical questions regarding this deficiency letter, please call me at (610) 337-5366.

Dennis R. Lawyer, Health Physicist  
Division of Nuclear Materials Safety
