Subject: RAI, Statement of Intent, DFP

(NOTE: This will be used as the Documents Title in ADAMS)

Summary: Your letters dated April 18, 2008 did not include the Statement of Intent. We then discussed the components of a Statement of Intent and that they previous letters dated September 29, 2004 is a Statement of Intent but is not in the correct amount.

The decommissioning funding plan (DFP) for 41-08165-18 needs to include the square footage, the wage rate and travel expenses to support the DFP. Also the regulation is to update the DFP cost estimate every is a maximum of every 3 years so please place that in a statement instead of the 3 years..

Action Required: Mr. Casey said he would work on creating the statement of intents and revising the DFP.
