(NOTE: This will be used as the Documents Title in ADAMS)

Summary: MonGeneral Hospital requested the addition of Dr. Mary Jean Wall to the license for the use of 35.100; 35.200; and 35.300 materials. A copy of the Kaiser Permanente Medical Center (Parma, OH) was provided as documentation of her current AU status. The faxed copy was illegible. I contacted Mr. Light at the OH DOH to confirm that Dr. Wall was currently listed as an AU on the Kaiser license. Mr. Light stated that Dr. Wall was authorized for the use of 35.100; 35.200; and 35.300 materials.

MonGeneral Hospital requested the addition of Dr. Andrew J. McDonnell for the use of 35.100; 35.200 materials. A copy of the Corning Hospital (Corning, NY) was provided as documentation of his AU status. Unfortunately they did not provide the last page of the license. I contacted Bob Dancereau at the NY State DOH for confirmation of Dr. McDonnell's status. According to Mr. Dancereau, Dr. McDonnell was at the facility from March 2001 through 4/2004. He was authorized for the use of 35.100 and 35.200 materials.

Action Required: Add the physicians to the license.
