H o s p i t a l

To: Dr. Randall W. Fields, RSO
From: Mr. Brad Smith, CEO
Subject: Delegation of Authority
Date: April 25, 2008

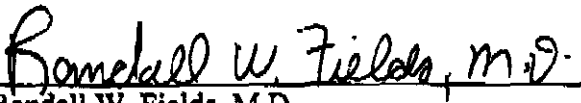

You, Dr. Randall W. Fields, have been appointed Radiation Safety Office and are responsible for ensuring the safe use of radiation. You are responsible for managing the radiation protection program; identifying radiation protection problems; initiating, recommending, or providing corrective actions; verifying implementation of corrective actions; stopping unsafe activities; and ensuring compliance with regulations. You are hereby delegated the authority necessary to meet those responsibilities, including prohibiting the use of byproducts material by employees who do not meet the necessary requirements and shutting down operations where justified to maintain radiation safety. You are required to notify management if staff do not cooperate and do not address radiation safety issues. In addition, you are free to raise issues with the Nuclear Regulatory Commission at any time. It is estimated that you will spend one (1) hour per week conducting radiation protection activities.

Brad Smith, CEO
