**Subject:** Request for telecon

Joe,  
We'd like to have a telecon to discuss the hydrology issues. Due to the involvement of common resources on both sides, I believe we can address the following issues in the same call:

- 1) Hydrology RAI status
- 2) Plan and schedule for April 25 public meeting
- 3) Schedule and talking point development for hydrology site visit to address FSAR hydrology issues.

Can we have this call early Friday morning (prior to 10 am EST?)

Thanks  
Andrea
