

On April 22, 2008, DPR staff, along with representatives from FSME and the NRR Allegations Coordinator met with representatives from Granbury-Hood County, Texas, regarding the evacuation plans currently in place as well as the potential impact of future population growth on the evacuation plans. At this meeting, Mr. Randy Thomas, Director of Economic Development, Granbury / Hood County Economic Development Corporation, along with other representatives, made a brief presentation to the NRC staff utilizing the attached booklet titled "Presentation by Granbury-Hood County Delegation Washington, DC April 21-25, 2008". In response to a post-meeting phone call from Mr. Prosanta Chowdhury of the NRC, Mr. Thomas confirmed that the booklet in its entirety is a "publicly available" document, and he can give the NRC additional copies for distribution.
