Joe,

Thanks for the info. Peter and I will be in Rockville for several days next week. When it is convenient, between all the other meetings, maybe we can have a few minutes to talk.

Phil and Peter,

I left Peter a voice mail and I understand that you are both busy. I just wanted to let you know the tentative plans for the photo opportunity on Tuesday from our end. The most senior NRC manager will be Gary Holahan. We expect some of the NRO Division Directors or their Deputies to also attend. Because the weather is expected to be nice we intend to take the photos outside. If the weather is bad we will be taking the photos in the atrium area outside of the auditorium (Phil knows the area I'm discussing).

They are moving my office over the weekend and I do not yet know my new phone number. I will let you know my phone number on Monday. In the meantime if you need to get in touch with me the best option is probably my email address.

Sincerely,

Joe Sebrosky
