Subject: Please Deny EnergySolutions' Import Application (IW023) submission

Please copy and paste some or all of the above message into the text box below : I urge the Nuclear Regulatory Commission to deny EnergySolutions' request to import 20,000 tons of Italian nuclear waste into the U.S.

It is not the responsibility of America to accept nuclear waste materials from any foreign country, inasmuch as our Constitution grants the States the sole decision maker and the State of Utah should not accept material that could be a hazard to our people, its terrain, and the security aspects.
