Subject: Please close RES #2008159 - No response will be written

Hello,

In response to RES 2008159, management has decided that the appropriate action is not to respond. RES senior level managers have already spoken by telephone to the letter authors on several occasions.

When packaged with the incoming ticket, this email should be used to close G20080249/EDATS: SECY-2008-0198.

Thanks,
Alison
