Summary: I asked, at the 9 Cranbrook Blvd, Enfield, Connecticut location, did you only use Tc-99M for unsealed materials? Mr. Tracy responded, Yes that was all. Please send me the latest leak tests from the sealed sources. Mr. Tracy said that he would send them. Why isn't Connecticut spelled out in the business name on the letter head? Mr. Tracy said he believed that it was to save space but the business name is with Connecticut spelled out instead of CT.

Action Required: Mr. Tracy will facsimile in the leak tests.
