

License Condition Requiring Fingerprinting for New Licensees

The licensee shall comply with the requirements described in the Increased Controls and Fingerprinting Requirements (IC&FR) issued June 1, 2008. The licensee shall complete implementation of said requirements by the first day that radionuclides in quantities of concern are possessed at or above the limits specified in "Table 1: Radionuclides of Concern". The licensee shall notify the Kansas Department of Health and Environment, Bureau of Air and Radiation when they have achieved full compliance with the requirements described in the IC&FR. The notification shall be made within twenty-five(25) days after full compliance has been achieved. This notification shall include a certification that the Trustworthiness and Reliability (T&R) Official (and any subsequent T&R official) is themselves deemed trustworthy and reliable by the Licensee as required in the IC&FR. The licensees shall notify the Kansas Department of Health and Environment at 785-296-1560 and Nuclear Regulatory Commission within 24 hours at 301-816-5100 if the results from a criminal history records check indicate that an individual is identified on the FBI's Terrorist Screening Data Base.
