Lisle, Illinois 60532

Dear Mr. Wiedeman:

We want to report in writing a burglary that occurred at our chapel in Liberty, Missouri. This loss was already reported via telephone to the Nuclear Regulatory Commission (report #44174).

This letter is official notification of the theft of two exit signs from our building at 1130 Clayview Drive in Liberty, Missouri 64068. Persons unknown broke in and vandalized the building tore down and stole property from the building (including two of the self-luminous tritium exit signs).

At our next staff meeting we are going to discuss and review for future reference the correct procedures to follow after the theft of any of these materials. We want to thank you for the information provided to the office on how to best handle any incidence that might occur in the future.

We are saddened that this has happened to our building, but will exercise all the diligence we can in assuring our buildings are as safe as we can make them from theft in the future.

Thank you,

Norma Banks, Office Assistant
Independence MO FM Office
