Dear Ms. Orendi:

Submitted for your review and approval is the corrected document that the State of New Hampshire has developed and intends to issue to applicable licensees as legally binding license conditions, for the purposes of implementing the fingerprinting and criminal history record checking requirements of Section 652 of the Energy Policy Act of 2005, and NRC RIS 2007-14 and 2007-15, relative to enhanced increased controls. The actual legally binding license conditions are found on Pages 24 and 25 of the document.

Thank you very much for your assistance in making changes to this document to correctly cover the necessary issues.

Should you have any questions during your review of this document, please do not hesitate to contact me or Dennis P. O'Dowd at (603) 271-4588.

Thank you.
