**Re: Rodolfo D. Farhy, M.D., FACC, FAHA, PLLC**  
**License No. 21-32564-01**  
**Notification of addition of Areas of Use**

To Whom It May Concern:

The purpose of this letter is to inform you of changes to the Areas of Use where byproduct material is used in accordance with 35.200 identified in our Nuclear Regulatory Materials License application for the following location:

**Rodolfo D. Farhy, M.D., FACC, FAHA, PLLC**  
**30301 Woodward Avenue, Suite LL 160**  
**Royal Oak, MI 48073**

We have enclosed the original facility diagram and an updated diagram of the Areas of Use. We have added an injection room to our nuclear cardiology department. There will be no radioactive sources stored in this room. Also, there are no room numbers assigned to the nuclear areas.

Thank you for your cooperation with this matter.

Sincerely,

Administration  
Rodolfo D. Farhy, MD, FACC, FAHA, PLLC
