SUBJECT: NOTICE OF EXPIRATION OF CERTIFICATE OF COMPLIANCE NO. 9023

Dear Mr. Patko:

This refers to Certificate of Compliance No. 9023 which has an expiration date of July 31, 2008.

To ensure continued use of the packaging, you should submit an application for renewal of the certificate at least 30 days prior to the expiration date. The sections on operating procedures, acceptance tests, and maintenance programs should be reviewed to assure they are complete and current. If revisions are necessary, the revised sections should be submitted with the application for renewal. Note that the certificate of compliance may be conditioned to specifically cite the operating procedures, acceptance testing, and maintenance programs.

Please also note as stated in letter dated June 2, 2005, that in accordance with the final rule for 10 CFR Part 71 (69 FR 3698) effective October 1, 2004, Certificates of Compliance for package designs previously approved by the Nuclear Regulatory Commission designated as B() or B()F in the package identification number and originally approved before September 6, 1983, will expire on October 1, 2008. These certificates are not renewable.

This notice of expiration should not be construed that such notice will be provided in the future. Also, please let us know if you do not intend to request renewal of the certificate.

Sincerely,

/RA/
