(NOTE: This will be used as the Documents Title in ADAMS)

Summary: In the letter dated April 2, 2008, the licensee requested the addition of LaDonna Dakofsky, M.D. as an AU of 35.600 materials. A copy of a ABR certificate dated 1993 was provided as documentation of Dr. Dakofsky's training and experience. I informed Mr. Pavlonnis that the ABR certificate was not acceptable and that Dr. Dakofsky would have to document her training and experience through the alternate pathway. Another option would be to provide documentation that she was listed on an NRC or Agreement State license as an HDR user. According to Mr. Pavlonnis, he will check with Dr. Dakofsky and gather the additional information.
