

UNITED STATES OF AMERICA  
NUCLEAR REGULATORY COMMISSION

BEFORE THE SECRETARY

In the Matter of  
Dominion Virginia Power  
Combined License Application  
For North Anna Unit 3

Docket No. 52 -017

DECLARATION OF Donal Day.

Under penalty of perjury, Donal Day declares as follows:

1. My name Donal Day. I am a member of Blue Ridge Environmental Defense League.
2. I live at 151 Buckingham Circle, Charlottesville, VA 22903. My home lies within 50 miles of the site in Louisa County, Virginia, for which Dominion Virginia Power has applied to the U.S. Nuclear Regulatory Commission for a Combined License for the construction and operation of a third nuclear power plant.
3. I believe these facilities are attractive targets for terrorist attacks due to the fact that there are large inventories of high-level nuclear radiological materials (spent fuel) on site. Therefore, construction of one or more new nuclear reactors would make them even more attractive. If an accident or a terrorist attack were to result in the atmospheric release of large quantities of radiological material my community and others nearby would be serious impacted.
4. Therefore, I have authorized Blue Ridge Environmental Defense League to represent my interests in this proceeding by opposing the issuance of a Combined License to Dominion Virginia Power.
