SUBJECT: BWX TECHNOLOGIES, INC., EMERGENCY PLAN REVISION 17  
(TAC L31894)

Dear Ms. Morrell:

This letter is in response to the administrative changes to your Emergency Plan (Plan) submitted by letter dated May 24, 2005. The changes to your Plan reflect name changes, revised notification criteria for fire and explosions, and other clarifications. We have completed our review of the submitted changes and have determined that these changes do not decrease the effectiveness of the Plan, and thus were properly submitted under the provisions of 10 CFR 70.32(i). The Nuclear Regulatory Commission (NRC) plans to amend your license within the next six months to ensure that your license safety conditions show the latest revision to the Plan. The issuance of this letter closes activities related to TAC No. L31894.

If you have any questions regarding this matter please contact me at (301) 415-5848 or via e-mail to [bcq@nrc.gov](mailto:bcq@nrc.gov).
