SUBJECT: GUIDANCE FOR IMPLEMENTATION OF THE APRIL 2003 SUPPLEMENTED
REQUIREMENTS [REDACTED] FOR CATEGORY-I FUEL
CYCLE FACILITIES

Dear Mr. Nash:

Enclosed is a final document (Confidential) titled "Guidance for Implementation of the April 2003 Supplemented Requirements to the [REDACTED] for Category-I Fuel Cycle Facilities." The purpose of the [REDACTED] guidance document is to provide additional clarification of certain details within the [REDACTED] and to assist you in your response to the April 29, 2003, Order modifying your operating licenses to comply with the supplemented [REDACTED]. The issuance of this guidance does not obviate the need for licensees to continue to maintain the effectiveness of [REDACTED] taken in response to the events of September 11, 2001, and the Orders implementing [REDACTED] Order) issued on August 21, 2002.

This document provides additional clarification guidance to be considered by licensees when developing security plans in compliance with the [REDACTED] Order. Also, the NRC licensing staff will use the guidance when reviewing licensee responses, and the NRC inspection staff will use it when reviewing licensee compliance.
